President's Perspective

Hope this finds you all well and hopefully thawed out. After this past winter we had we are all deserving of some warmth. We did finally melt some of the snow around here. We finally have a two lane road again past our place. We were snowed in for three days. Was sure nice to get out and see others besides Lisa & Mary.

Heard the other day Al Gore was on TV and said that all this cold weather & the large amounts of snow we were having is due to global warming. He claims this is the first signs of it. (yeah right) Just wish people would stop paying him for spreading his garbage around! Enough of that.

Lets talk spring meeting. Hope you all can make it. Lots of items to go through. Also Bob Bigmami is scheduled to be there. He is running for National President and has a wealth of knowledge. If you have never heard this man talk, you are in for a treat. Hope you all can be there.

State sale time is fast approaching, so lets all do what we can to help support it. Whether you consign or purchase, your support is greatly appreciated. If you can help before, during or after the sale, get in contact with Dave Koss and he will be happy to put you to work. This is a great time to be working with the great Jersey cow. Demand is great for Jersey Genetics, the perfect time to market some.

In closing, would like your support in my re-election bid for your Iowa Jersey Cattle Club President. Until next time,
Jeff Holtz

Editorial

I hope you enjoy reading through this issue- it was a thrill to put it together with members of the Iowa Ayrshire Breeders Association in conjunction with our combined Spring Sale.

There is a lot of activity coming up this spring for the Iowa Jersey Cattle Club members. We are looking for a huge turnout for the Annual Spring meeting, barring the final winter snow storm! Bob Bignami plans to attend and speak following our business meeting and meal. Please bring you family for the buffet lunch and enjoy the conversation and club discussion. We will make sure to get through the club business quickly to make sure you have enough time to get back home for milking.

The sale will include a special Pot O' Gold portion this year- see page 8 for more information on that!

Thank you to our advertisers for supporting this publication and the IJCC. Your continued support makes this a magazine that hundreds of people look forward to receiving three times a year. I receive many compliments on it and several people tell me they put down what they are doing as soon as it comes; that's due to your continued involvement. Iowa is host to many great Jersey herds. If you would like to begin advertising, please let me know.

Make sure to send in your 2012 Iowa State Fair judge nominations to President Jeff Holtz. Those will be voted on at the Spring meeting. Information is on the inside back cover. There are many Jersey Youth opportunities coming up- I've listed some on page 11. Please take advantage of them!

Until Spring Proudly yours, *Jennifer Zumbach*

Vice President's Message

Wow! What a winter! It seems like it never ends. We hope everyone has been able to handle the power outages, roof collapses, and all else this winter has brought.

Moving on, I have noticed a big increase in the number of calls for breeding stock in the last six weeks. We all need to take a look at our herds and consign some outstanding animals for the state sale. It looks to me by the early interest that we should have an outstanding sale! We are also excited about the nominations we've seen for our Pot O' Gold Sale! We hope to see you there!

We look forward to seeing you at the Spring meeting at Clear Lake. Bob Bignami is planning to speak once our business meeting is finished. Milk prices are looking up! What an exciting year we have in store!

Hello All, With thoughts of spring on the mind, I would like to send a greeting from the AJCA-NAJ. Very exciting things are in store for 2011. First off, I want to share with you the newest marketing tool now offered through JMS. JerseyBid.com was just launched in February and we are very excited about the possibilities. If you are looking for animals or looking to sell animals, check out the site. Sales will be run on the fourth Tuesday of the month with bidding opening two weeks prior. It is a great way to connect buyers and sellers coast to coast. Let me know if you have hot consignments that you would like to list!

Also, with genomics the hot buzz work of the industry, don't forget to genomic test! AJCA offers genomic testing at very affordable rates! For just \$30 (REAP herds) or \$40 (non-REAP herds) you can 3K genomic test any of your animals - and have unlimited marketing potential. If you are looking for specific information about genomic testing please check out our website www.usjersey.com or give me a call.

Make sure to also be thinking of the National Heifer Sale which is in WI this year! This sale will be an ALL donation sale in support of the Youth Fund as well as Jersey Youth Academy. All heifers will be genomically tested. If you have heifers that you would like to consign, get them in today to ensure that the genomic tests will be included in the catalog. Mark down June 25th on the calendar!

I look forward to seeing you this spring. If there is anything I can help (registrations, consignments, genomic testing, etc.) please let me know!

2011 Executive Meeting minutes

The Executive meeting of the Iowa Jersey Cattle Club was called to order by President Jeff Holtz at 7:10 PM on January 13th. Vice President, Harvey Metzger and Secretary-Treasurer Jennifer Zumbach were also present. Business discussed included:

- State Sale will have a different date this year to not conflict with the Minnesota Sale. It will be on April 2nd at the Fayette County Fairgrounds, West Union. The Ayrshire Breeders plan to increase their commission from 11% to 13% to cover increasing costs. If the IJCC wanted to continue to receive 3%, we would need to raise the commission on the Jersey consignments (from 15% to 18%). Harvey said there would be some people coming from NW Iowa to help show animals through the ring. Jeff will clarify with Dave Koss the TB restrictions so we can inform potential consignors. There will be a Hawkeye Pot O Gold sale this year with 4-5 head, available only to youth. There will be a 25% commission which will directly go into the fund to be paid out when these animals have production records to compare. More information will be available at a later time. Jeff was going to see if the Ayrshire Breeders would allow the whole amount to go into the Pot O Gold Fund. Jennifer mentioned plans to include Ayrshire Breeders in the Winter magazine as a Sale Issue. Jeff said there would be more discussion at the upcoming Ayrshire meeting.
- Several locations were mentioned for the Spring meeting. The Best Western location in Clear Lake just off I-35 seemed to be a central location that would be easy to get to. Bob Bigmani plans to attend and speak to the group. He has been nominated for AJCA President.
- State Fair- Rhonda Guy is still meeting with the Iowa State Fair Board to discuss any changes that may affect this year's fair. Jeff will have more details at the Spring meeting. Jeff Core will judge the show this year. The ISU Dairy Science Club will do the Boulevard of Breeds this year with animals from Churchill and Lyon families. There will be a nomination form in the Winter IJT for judges for the 2012 Iowa State Fair Show. Jeff asked to include information so people could call or email their selections since many people do that anyway.
- Budget- Balance in checking is \$1722.05, 2007 Convention Savings is \$8916.88 and the UBS Scholarship fund is \$10907.39. Jennifer presented the balance sheet from the past year and a budget for 2011 for review. It will be voted on at the Spring meeting. Harvey asked to check on the amount of Wisconsin's donation for our convention in expectation that we will receive a request from them for 2010. The Iowa PDCC is asking for donations from Iowa Breed organizations to fund Iowa State Fair activities, in lieu of the auction once held at the ISF.
- National Cattle Congress- will have a show again this year- they are looking to include a Junior Show at some point.
- Iowa Jersey Today- Jennifer suggested letting Heuss Printing mail the magazines, in addition to printing them. She provided some cost difference estimates and Harvey and Jeff agreed to do the Winter issue that way and bring the real amounts to discuss at the March meeting for further discussion.
- Summer Picnic- suggestions from last year are Kunde Jersey Farm and HeiBri Jerseys. Others are welcome to volunteer. Please let one of the officers know if you would like to host the 2011 IJCC picnic.
- AJCA Nominations- Joe and Duffy Lyon were nominated for Master Breeder and Kevin and Cari Knapp for Young Jersey Breeder in 2011. Jeff suggested Jennifer and Dave Zumbach for 2012, Jennifer suggested Michael Kunde in the coming years.
- Kara Maxwell and Kari Lien will both be nominated for AJCA Youth Achievement awards
- Kara does need a calf for winning the Iowa Breed Award. David and Donna Kunde have offered to donate it.
- The Dairy Star is willing to print any news stories (awards, babies, deaths, etc) within the month of occurrence. Please send the info to Jennifer and she can forward it on to the staff so they can include it.

The meeting adjourned at 8:10pm.

Respectfully submitted, Jennifer Zumbach, Secretary

Hard-Boiled Egg Casserole

from Heather (Metzger) Knoblock

- ½ c chopped onion
- 6 T flour
- 6 T butter
- 3 c milk
- ¾ lb. Velveeta cheese
- 1 doz. Hard-boiled eggs (I usually add more)
- 2 ½ c crushed potato chips
- 1 lb. bacon, fried, cut (crumble)

Saute onion in butter, add flour, then milk. Cook until thick- like white sauce. Add cheese, stir until melted. Slice eggs. Layer the bottom of a greased 9 X 13 pan with ½ dozen eggs. Layer ½ sauce, then ½ chips, and ½ bacon. Repeat layers.

Bake at 350 F for 20 to 30 minutes. May be made the evening before & refrigerate overnight. Serves 10-12

This is Harvey's favorite breakfast casserole- and after one taste- it's EASY to see why! Enjoy!

Hawkeye Pot O' Gold

The **Hawkeye Pot O' Gold Sale** is open to all Juniors between the ages of 7 and 20 (inclusive) on January 1 of the sale year.

The members of the Iowa Jersey Cattle Club established the Hawkeye Pot O' Gold Sale to provide Juniors the opportunity to purchase outstanding heifers for both type and production for the foundation of their future herds and a chance to win back some of their purchase price by doing a good job of raising and milking their animal.

Twenty-five percent (25%) of the gross of these sales will be set aside as a Pot O' Gold fund. This will be awarded to the Juniors whose calves purchased in this sale have the highest Combined Fat and Protein actual pounds, provided they calve before reaching 30 months of age. Records must be made on DHIA, regularly, organized DHI or any form of test recognized by the IJCC Pot O' Gold Committee.

All heifers must be tested in the DHI or DHIA herd owned by the purchaser, parent or legal guardian – except in the event this is not possible, a written request may be made to the Committee for permission to test the heifer in another herd in an adjoining county or area. Loss, death or transfer of ownership of any purchase before the record is completed eliminates that heifer and owner from the competition.

The 1st Place animal's owner will receive 50% of the Pot O' Gold fund and the remainder of the heifers completing the contest qualifications will receive compensation. More details to follow on the percentages.

Contact *Brian Lantzky* with questions or to nominate a heifer for the Sale. heibri@iowatelecom.net 563-379-1372

RANCH WOMEN

Dedicated to all the Ranch Women out there and to the men lucky enough to love them!

Ranch Women are a breed that stands way apart,
They are unique, resourceful and true of heart.

They might be ranching all alone or with a man they love,
But either way, one thing is for sure, they have to be plenty tough.

They might be riding and roping; important skills, no doubt.
But there's a lot of other ways that they partner and help out.

A Ranch Women might pay the bills and see her men get fed,
Or she might be raising the kids and tucking them into bed.

She might be doctoring sick cattle and be the "On Call" vet,
Or helping make hay and raking to turn it when it's wet.

There are a lot of Ranch Women working town jobs from nine to five,
To help keep their family's dream of a working ranch alive.

She's a wife and mother, a lover and a keeper of the dream,
She's the one you want beside you, a member of your team.

There's calving and haying and branding time with very little sleep;
She learns to ride, drive tractors and trucks, and the learning curve is steep!

She can fix a fence, opens the gates, chops winter ice on the pond,
And half the time the thrift store wouldn't take the clothes she has on!

She's the maker of the coffee, hearty meals, of biscuits and of beans,
She cleans the house, the horse stalls, and mends the torn blue jeans.

She can saddle a horse, heel a steer, and pull the slack up tight;
But she's still plenty women enough to keep her cowboy warm at night!

She knows the cattle, the hay, and the newborn foal usually come before her needs,
Those are just some of the tradeoffs that come with living this life she leads.

Now Her babies had better come between cattle work and ranch rodeos,
And soon as she gets that baby home, it's back to work she goes.

She helps teach those kids right and wrong, and shows them how to love the land;
And encourages them at an early age, to lend a helping hand.

There's droughts and floods, dust and mud, not to mention ticks and lice,
There's bank notes and ranch payments, and "Honey, doesn't that new bull look nice?!"

Then, "I'll be right in," he says again, as she waits supper for hours,
And he won't remember to thank her, and rarely sends her flowers.

Most Ranch Women have heard this desperate call at calving time,
"Come quick, help turn and pull this calf, your hands are smaller than mine!"

And if she has a little more patience with that cow than some men do,
It might be that she has a pretty good idea what that cow is going through!

The Ranch Women is a cold drink of water on a hot and dusty day,
She's a welcoming pair of arms when you've been away.

"Ranch life is tough and you won't get rich", were the warning words of her mother.
But she loves the land, this ranch, her life, and she'd rather have no other.

She has the sunrise on the open horizon to start her day out right,
And the vibrant sunset at days end; the whip-poor-will at night.

She has prairie flowers for her garden and wildlife outside her door,
She helps care for God's creations; who could ask for anything more?

Now a cowboy can make it alone in his work and in his roaming,
But if he wants the Best in life, he needs a good Ranch Women!

So fellas, if you're lucky enough to have a Ranch Women like this,
Don't be shy, reach out and squeeze her hand or give her a great big kiss!

Here's to Ranch Women raising the next generation of cowboys, cowgirls & buckaroos,
The country owes you many, many Thanks, and heartfelt gratitude!
