President's Perspective

The calendar says spring, but it sure don't feel like it outside. Last year we were all finished planting, but this year we are just barely getting started. How the weather can go from one extreme to the other. Must be the Global warming. (ha, ha)

Had a real good turn out for the spring sale this year. Good weather and a good crowd of people. It was great to see so many of you at the sale. Thank you to all the consigners & buyers to this years sales. Comments and or suggestions for future sales? I have had a quite a few calls from you on this subject. The main question I have to all of you is do we want to continue doing it the way we have been? A lot of you don't like the way the sale order is put together. Some would prefer we have a sale on our own. We need as much feedback as possible to try to come to some decisions on how we are to move forward.

With that I had better end this. Don't forget the summer picnic will be at Cinnamon Ridge Jerseys on July 6th. Hope to see you all there! *Jeff Holtz*

Vice President's Message

Hello to all! Spring is finally here. After 2 or 3 late April and early May snow events we in northwest Iowa have finally began to warm and green up. It is very welcome because this part of the country faces a serious shortage for forages. Grass hay at local auctions has been bringing up to \$400.00 per ton. We folks in the dairy business understand that doesn't work for very long. We are very thankful for the late spring moisture that very much improves our crop outlook for the coming year.

Once again Thank you to the buyers, consigners, and helpers to make the State Sale a success. Let's all try and support our upcoming state Jersey activities. Make plans to attend our summer meeting and picnic. We hope we can enjoy reasonable summer weather and hope many of you can bring out your best for a successful state fair. Thank you, *Harvey Metzger*

Hawkeye Pot O' Gold Sale

Two Jersey Youth purchased heifers on the **Hawkeye Pot O' Gold Sale** this year with a purchase price totaling \$1200. 25% of that amount (\$300) will go into the fund to be completely dispersed to these individuals upon completion of the contest rules. The first place owner (who's animal has the highest combined Fat and Protein actual pounds) will receive 50% (\$150) of the amount and the remainder of the heifers completing the contest qualifications will receive the rest on a percentage basis, with the complete amount being dispersed. If you are between the ages of 7 and 20 as of 1-1-14, please consider participating next year! Contact Brian Lantzky with questions or info- heibri@iowatelecom.net or 563-379-1372.

2014 is the first year we will be distributing funds- we will award these youth at next year's spring sale.
