Editorial

What a tremendous fall we have enjoyed this year! You may notice this magazine reaching your house a little later than usual, but I can hardly press for you and me to put the magazine before harvest and a super busy fall with awesome working weather!

Hopefully the weather hasn't taken a turn for the worse by the time you do see this, although we know it will come eventually. By the way, where did this summer go? I missed the Iowa State Fair and Cattle Congress this year- and it just doesn't seem like I should be flipping over the November calendar yet. Of course, we missed out for a very good reason, if I do say so myself!!! My husband, Dave and I welcomed our first child, Karl, on July 2nd. We have enjoyed each minute of our time with him. He makes us laugh daily, and although I'm far busier than I ever thought I'd be, it's well worth it. Fortunately, both my brothers are currently working on the home farm full time, so I have been able to fill in when needed during the fall harvest- and allowed the Grandma's to get some special Karl time!

We've got a lot included in the issue. I am looking forward to our next one, as we will be including some of our Ayrshire friends in a special Sale issue. We hope to benefit both breeds with this combined magazine and hope you will be involved in it.

Pay attention- also we may have our winter/spring meeting at a different time/location than the past several years. As you'll read in the summer picnic minutes, it was decided to separate the meeting from the sale weekend to allow more people to attend both, instead of choosing one or the other. Another change for the sale might include a "Pot of Gold" type sale. Please be thinking about the possibility of consigning an animal for youth only to purchase, in addition to the main sale.

Well, I must sign off on another Fall *Iowa Jersey Today*. Enjoy and have a great and safe winter.

Proudly yours- Jennifer Zumbach

President's Perspective

Well another great show season is about to come to an end. It all ends at the All American Jersey show in Louisville, KY, in which we will be participating at.

What another great State Fair we had (not counting the heat). We did get a break from the heat the following week at Illinois State Fair. It was a thrill and an honor to be asked to help judge for Supreme Champion Honors. Congrats to Dement Jerseys for breeding and owning the Supreme Champion cow.

We also showed at the 100th anniversary of the Waterloo Dairy Cattle Congress. What a tremendous show was put on. A huge pat on the back must go to Norm Nabholz for pulling it all together.

Again congrats to all the show winners this past show season. Start thinking now on what you would like to consign to our spring sale in West Union.

Hope everyone is having a safe and bountiful harvest this fall.

Until next time... *Jeff Holtz*

Vice President's Message

We have so much to be thankful for. Our area has experienced a beautiful fall. The crops were mature and dry and the conditions were excellent with outstanding yields.

This year we were able to take in the World Dairy Expo. It was an outstanding show and sale, a great display of Jersey cattle.

It is nice to get this uptick in milk prices although the increasing feed cost are going to eat up a lot of it.

Our breeding stock sales have been excellent this summer and fall showing a real demand for the Jersey genetics.

As we look ahead let us continue to support our AJCA and IJCC programs, sales, and meetings.

Harvey Metzger

Acoustic Farms Receives International Cheese Award

Linn County, Iowa now has boasting rights for being the home of an international award-winning cheese.

The 2nd World Jersey Cheese Awards, an initiative of the World Jersey Cattle Bureau (WJCB), were judged in the Island of Jersey on Friday 11th June 2010.

102 entries were received from 10 countries, with a total of 38 medals awarded by an expert judging panel. The cheese awarded the title of the World's Best Jersey Cheese 2010 was "Jersey Blue" made by Willi Schmid from Switzerland.

Acoustic Farms of Springville, IA won a Silver Medal for their Fromage Blanc con Citron in the International All-Jersey Cheese competition held on the Isle of Jersey, England in June. The cheese was competing against representations from 10 countries.

Acoustic Farms is a relative new-comer to cheese-making. Mark Armstrong and Barbara Grant began their dairy operation just more than one year ago in September. They began with 4 cows and are now milking 18 lovely registered Jersey girls. Acoustic Farms produces over 350 lbs of cheese weekly.

The Armstrong-Grants won three medals in the All American competition last year – a gold for their Fromage Blanc con Ali, a silver for their Fromage Blanc con Citrone and a bronze for their Parma Canon in D.

Their cheeses are available for purchase locally at the following locations: Hy-Vee at Edgewood Rd, Mt Vernon Rd, Collins Rd, Oakland Rd, Marion, and Waterfront Dr in Iowa City. Additional locations include Whittier Market, Woody's in Springville, and both New Pioneer locations in Iowa City, and Coralville, and Family Foods in Anamosa.

The Armstrong-Grants also sell to their loyal customers at two farmer's markets: Saturdays in Iowa City and Tuesdays in Springville. They were also featured on KCRG TV 9's special with "Farmer Josh", which can be linked to on the KCRG website. Dahlings Receive Century Farm

The Dahling Family from Clayton County was among the recipients of a Century Farm Award at this year's Iowa State Fair. Three generations of Dahlings are pictured: Marvin Dahling, Matt Dahling and

Kyle Dahling. The Century Farms program honors families who have owned Iowa farmland for 100 years or more and is sponsored by the Iowa Department of Agriculture and Land Stewardship and the Iowa Farm Bureau. Photo submitted.

The Dahling Century Farm was first purchased in 1886 by William and Mary Dahling for \$28.57 per acre. In May of 1904 Henry and Anna Dahling purchased the property. Carl and Lula Dahling then purchased the farm in June of 1946. In the 1930's three generations lived together in the small farm house. In October of 2001 Matt and Julie Dahling purchased the 140 acres from Lula Dahling.

Their son Kyle who is a draftsman at ProBuild in Elkader currently lives on the farm and is the 5th generation to live in the farmhouse. Matt and Julie also have a daughter, Jennifer who is attending LeCordon Bleu in Minneapolis.

In past years, like many Iowa farms, there has been dairy, beef, sheep, hogs and grain. Matt remembers, "My grandfather, Carl Dahling always considered the hogs to be the mortgage lifters. When I was in junior high school, I was his right hand man and when he sold out the rest of his swine, he said to me it was like losing his best friend." The farm had cattle on it until the fall of 2009 and now is primarily a grain farm.

Brian and Heidi feel so blessed to have a son, even if he was only with us for a short time. Today we will say our final earthly goodbye to our beautiful son Brodie. Words could never express the deep sadness we feel, but we praise God that he sent Jesus to give us salvation and eternal life. We have the promise that we will see him again when we are all home in heaven with Him. Thank You to all that have been praying for us. It means more than you could ever know.
