Editorial

It is always enjoyable to put this publication together. I hope you enjoy reading it. You'll find highlights of a lot of summer activities, new advertisers and familiar ones also! I am excited though, to get it off to the printers. There have been more than a few things falling by the wayside while I was concentrating on this! Add to that- Will's desire to sit on my lap every time I sat at the computer! I wish there were more hours in the day to fit it all in. We have wrapped up corn silage, hauled manure and are seeding rye today. Hope the fall is warmer than last year to give it a chance to grow!

I have apples sitting on the porch, waiting to jump into the dehydrator (if only they could!) Dried apples get eaten as fast and they get done around here. I haven't tallied my canning bounty yet this year, but my shelves overflowing of empty jars are now bare. I always look at it and wonder, can I really get them all filled? Yes, and then some! We had great green beans, tomatoes, sweet corn, onions, carrots and potatoes this year. I'm always amazed at God's bountiful harvest for us! The freezer is chuck-full and I still have 15 hills of potatoes to dig. Last year I began to chop them or make into fries, blanch for 3 minutes and freeze them. We ate awesome potatoes (boiled, baked & mashed) all winter long. And we had enough to do my favorite thing- give them to friends and family. This year we were given several bushel of MacIntosh apples. We made all the sauce we could eat and it warmed my heart to make extra for the neighbor girl who watched the kids while we canned that day and a couple who continues to need prayers of healing after losing a newborn. A couple more of our church family are having health scares and I'll be packing up a box for each of them. Karl is so used to it that before he digs into something I'm making he asks, "Is that for the neighbors?"

We are getting ready to move to Dave's grandparents farm. We may be there by the next issue, so you'll need to look for an address change. The house needs some work and we will do that before moving. We have done some painting, but there's lots more to do- after the magazine gets done!! The house is meant for the people farming it and his grandparents both passed away in the last two years. We are excited to be "where the action is" as our farm is a couple miles away.

I always appreciate the kind words of encouragement you share with me about the magazine. If you have suggestions, please let me know! I hope to continue to highlight your news and successes. Remember our next one will be the Special Sale issue. We hope you will be involved in it.

Well, I must sign off on another Fall *Iowa Jersey Today*. Enjoy and have a great, safe fall.

Proudly yours-Jennifer Zumbach

STILL NEEDED!

We still need a heifer calf donated for the 2014 IJCC Jersey Award- You receive 3- 1/2 page IJT ads in appreciation. Please contact an officer if you are interested or for info.

President's Perspective

Hope this issue finds you all well and hopefully started on your fall harvest. Well summer came and went, now comes fall and then winter. With winter, comes snow. Did I say snow and cold? Those are two words that I don't want to hear to much this year, after last year. Summer came and so did the State Fair. It was great to see so many great animals again this year. Congrats to all for bringing out your best. Hope everyone has a safe harvest.

Until next time... *Jeff Holtz*

Vice President's Message

Things are kind of quiet in this part of the state. Harvest is progressing very well with silage chopping wrapped up and with soybean and high moisture corn harvest starting.

Feed costs are certainly going to be cheaper for the coming year. Reports are that a very good crop in all parts of the country.

I just read an article in Dairy Star this week proclaiming all time cheese prices. We hope this doesn't cause over production and weakened demand. Meanwhile we'll all take advantage of the high milk prices, great demand for breeding stock, and record high prices for all cattle. Let's all keep in mind this will change.

Til next time, *Harvey Metzger*

Representative Comments

Greetings All,

I hope everyone had an enjoyable summer. It certainly has been as busy and fun-filled as ever. Thanks to Covington's for hosting the Summer Picnic at the farm. We shared a nice meal, saw a great group of cows, and most importantly was able to catch up with some of wonderful breeders in Iowa.

I was able to see a great group of Jerseys put together for the Iowa State Fair. Congrats to everyone on their success there, and at the local levels. I wish everyone who is continuing to show this fall continued success.

As we move forward into fall I would like to remind everyone of some of our upcoming events for the American Jersey Cattle Association and Jersey Marketing Service. Locally we will be having a Fall Edition of the Prairieland Production Sale. Look for over 100 head selling, including milk cows and bred heifers. Farther along this fall we will have our National sales including the All-American Sale, and Pot of Gold Sale. We have another outstanding line-up of animals to sell in Louisville. If you can't make the sales please do not hesitate to give me a call on any of the animals you may be interested in.

Rylie's Corner

I would like to thank the Iowa Jersey Cattle Club for the opportunity to represent the state of Iowa and the Jersey breed as the 2013 Iowa Jersey Princess. I am proud to have had the chance to represent the Jersey breed and Iowa, first at the National Jersey Queen Contest, Louisville and then at the Iowa Dairy Princess Contest. I am very honored to be starting my new journey as the 2014-2015 Iowa Dairy Princess Alternate and am looking forward to a year of traveling Iowa representing the wonderful dairy farmers of the state. Finally I would like to send a special thank you to Jennifer Zumbach and my family for supporting and encouraging me in all that I do. I hope to visit with you soon!

MARK SCHULTE -RECIPIENT OF MASSEY SPORTSMANSHIP AWARD

Mark has been working with and showing cattle ever since he was a little boy. Growing up, He started showing at the Iowa State Fair when he was 9 years old. 43 years later, he and his 3 sons (Zach, Blake, and Mitch) still bring a large string to the state fair every year. Though the colors of the cattle have changed over the years, the breeding philosophy has stayed the same. They strive for high quality cattle with strong maternal lines that continue to transmit type to the next generation. Mark has always showed high quality Brown Swiss, but he and his family are now focusing their efforts in the Jersey breed. They are working with daughters of high profile cows like Griffen, Alicia, Lisa 2, Maryland, and Veronica, all world renowned queens of the Jersey breed. In 2010, the Schulte Bros were named Premier Breeder and Exhibitor of the Jersey show at the Iowa State Fair. They also had the Reserve Intermediate Champion, Senior Champion, and Reserve Grand Champion along with Best 4 and Junior Best 3 Females. These all would be great accomplishments for any Jersey breeder in the state, but considering that the Schultes' were milking a total of 6 Jerseys at the time, further proves the strength of their breeding program. Mark has exported heifers and embryos all over the

world. He has shown and bred many Brown Swiss, Jersey's, and Holstein's that have been nominated All-American. Last year, Mark and his sons sold a heifer that they felt was the best heifer they have ever raised. Last fall, when Schulte Bros Tequila Shot was named Reserve Junior Champion of the International Jersey Show at World Dairy Expo, it was truly one of the highlights for Mark as a breeder.

Aside from showing, he is currently the manager of Geno-source, a 2,700 cow dairy in Blairstown, Iowa. He runs around 500 acres of his own corn, soybeans, and hay ground. He has a strong agricultural background. Mark is a 3rd generation dairy farmer and this year the home place becomes a century farm. His grandfather was an original founder of the Hereford hog breed and first

President of the registry. He looks forward to passing the farm down to the next generation. All 3 of his sons are still active in the farming operation and in the agricultural community.

Going to the state fair and placing well every year sure is fun for Mark, but it isn't always about the ribbons and banners. The lifelong friendships that he has developed over the years with the other exhibitors are the real successes of the fairs for Mark.

ROBERT MASSEY SPORTSMANSHIP AWARD

The Robert Massey Sportsmanship Award is presented at the Iowa State Fair every year to a dairy cattle exhibitor who excels in endeavor, ability, and sportsmanship both in and outside the show ring. Robert Massey was a well known Jersey breeder who passed away in 1987. He was a master showman. He started showing cattle at the Iowa State Fair when he was 4-H age and through his entire life. Five of his friends, Rosie Nabholz, Ron Gruenwald, Mark Lohmen, Allen Ehrman and Gene Henderson purchased a calf at his dispersal. When she became a cow they sold her and the proceeds were used to start this award in his honor. Each year at the Iowa State Fair all the former members present at the Fair meet and determine who will be on the ballot for the coming year. In July, before the Fair, a ballot is sent to all the past recipients. The winning selection is presented at the Fair in August. The first award was presented in 1990. This is the 24th year the award was presented.

Hawkeye Pot O' Gold

AJCA SPECIAL AWARDS DUE JANUARY 15TH

Iowa can nominate people for the following awards. We have many people who are qualified. Please make suggestions to any of the officers, as soon as possible so we can begin the nomination process. Also, please let us know if you would like to be nominated.

YOUNG JERSEY BREEDER AWARD- is bestowed annually upon as many living AJCA members and/or member's families, who, in the opinion of the Board of Directors, merit recognition.

- Nominee (s) must be an active member of the AJCA and under 40 years old as of January 1 of the contest year.

- Basis for selection: Expertise in dairy farming and Jersey cattle breeding; participation in AJCA and NAJ programs; and leadership in Jersey and other dairy and agricultural organizations.

MASTER BREEDER AWARD- is bestowed annually upon a living AJCA member, family, partnership, or corporation, who, in the opinion of the Board of Directors, has bred outstanding animals for many years and thereby has made a notable contribution to the advancement of the Jersey breed in the United States.

DISTINGUISHED SERVICE AWARD- is bestowed annually upon as many living AJCA members and/or member's families, who, in the opinion of the Board of Directors, have rendered outstanding and unselfish service for many years and thereby have made a notable contribution to the advancement of the Jersey breed in the United States.

AWARD FOR MERITORIOUS SERVICE- is bestowed annually upon a living individual, who, in the joint opinion of the Board of Directors of the AJCA and NAJ, has made a notable contribution to the advancement of the Jersey breed and the livelihood of Jersey owners in the U.S. through research, education, development, marketing, or significant activities of the allied dairy industry.

The **Hawkeye** Pot O' Gold Sale is open to all Juniors between the ages of 7 and 20 (inclusive) on January 1 of the sale year.

The members of the Iowa Jersey Cattle Club established the Hawkeye Pot O' Gold Sale to provide Juniors the opportunity to purchase outstanding heifers for both type and production for the foundation of their future herds and a chance to win back some of their purchase price by doing a good job of raising and milking their animal.

Twenty-five percent (25%) of the gross of these sales will be set aside as a Pot O' Gold fund. This will be awarded to the Juniors whose calves purchased in this sale have the highest Combined Fat and Protein actual pounds, provided they calve before reaching 30 months of age. Records must be made on DHIA, regularly, organized DHI or any form of test recognized by the IJCC Pot O' Gold Committee.

All heifers must be tested in the DHI or DHIA herd owned by the purchaser, parent or legal guardian – except in the event this is not possible, a written request may be made to the Committee for permission to test the heifer in another herd in an adjoining county or area. Loss, death or transfer of ownership of any purchase before the record is completed eliminates that heifer and owner from the competition.

The 1st Place animal's owner will receive 50% of the Pot O' Gold fund and the remainder of the heifers completing the contest qualifications will receive compensation.
